November Blood Drive

We are planning to hold a blood drive November 1, 2007 in memory of Bethany Amrich our former office manager, who passed away November 2006.

While Bethany was fighting her melanoma, she received many transfusions which gave her much needed energy.

This blood drive will help others as well as honor Bethany's life!

Schedules will be available in September. ■

Our Summer Intern

Laura Whalen one of our high school patients who is interested in dentistry is helping us out in the office this summer. ■

Kingdom the Musical

One of our patients, Kent Allen, has put together this play that will be playing September 7 – September 23 at the Lakewood Cultural Center. Look online for the details at www.kingdomthemusical.com ■
