

In Loving Memory of Our Friend Bethany

As many of you may already know, Bethany Amrich, our former Office Manager passed away this past November, after a long and courageous battle with Melanoma. She was truly a brave and inspirational person who displayed grace and calm everyday. She touched everyone she came in contact with, in a very special way. She will always hold a special place in our hearts. ■

Our New Home!

We are excited to announce that our expansion is complete. Thank you for your patience during the renovation with all the noises, dust and other surprises! We are now able to provide a handicap accessible bathroom and Pano X-Ray machine. The Pano machine takes a full head x-ray to check for wisdom teeth and surrounding structures. We will also have an additional Dental Hygienist available for appointments on Wednesdays. Be sure to stop by the office and take a peek at our gorgeous new space! ■
